The DeBartolos are white collar crime associates of the San Francisco crime family or Lanza crime family which is owned by the Lanza di Scalea and Massimo-Lancellotti families of Italy. The DeBartolos are involved in rigging NFL games for mafia bets. DeBartolo Jr. was connected with Louisiana Governor Edwin Edwards who was convicted of racketeering and DeBartolo testified against him to get a lesser charge himself. The DeBartolos owned one of the largest real estate companies in the United States which they later sold to Simon Property Group. They still own businesses in real estate and construction a popular mafia industry and they also own a financial firm.

Douglas Leone is a US immigrant born in Genoa, Italy and he is worth over 3 billion as the head of Sequoia Capital which specializes in financing tech companies in Silicon Valley and Israel. Douglas Leone is an agent of the Leone and Massimo families and he is financing electronic harassment on Americans. Most modern electronics are radiating neuro-bio hacking software like GENISIS, BRIAN, and NEURON which are "neurological and biological simulators" and they are really programs designed to hack into the human brain and biology through electronic emissions and wireless frequencies. GENISIS or General Neural Simulation System was developed by the Jesuit James Bower. A hacker can run these programs through other people's electronics.

Robert Pera is an extremely evil agent of the Orsinis and involved in rigging NBA games, financing gang stalking commanders like Dwight Howard and torturing

people with electronic and wireless frequencies. Robert Pera's ancestry likely originates from the Sephardic Pereira family of Portugal before migrating to northern Italy. Pera and Pereira both mean pear and Pera is the Italian variant of Pereira. Pera di Fassa is an Italian commune in Trentino. Pera owns the Memphis Grizzlies a NBA team. A grizzly is a bear. The name Orsini derives from the Latin word Urso which means a bear. The Orsini-Rosenberg family which are cousins of the Orsinis have bears on their coat of arms. Pera also founded Ubiquiti Networks a wireless network product company. Criminals in Silicon Valley along with DARPA use wireless frequencies for covert electronic harassment on Americans. Robert Pera is worth 7 billion.

Frank Fertitta III is worth over 2 billion and still has shares in the UFC. Frank Fertitta is the CEO of Stations Casinos which has about 20 casinos operating in the United States. The Fertitta family also founded Zuffa which controls the UFC and they sold their majority shares however still retained a portion. They still have command in the UFC which they use for rigging fights for mafia bets and for recruiting mafia enforcers. Deutsche Bank partly owns their Station Casinos and assists them in laundering criminal profits of mafias laundered through casinos then through Deutsche Bank and then into the Bank for International Settlements and private Swiss bank accounts. The Fertitta family originated in Galveston, Texas and married with the Maceo crime family of Galveston. The Fertitta family which are collectively worth around 9 billion are a crime family.

Lorenzo Fertitta is worth over 2 billion with some shares in the UFC. The Fertittas established themselves in Texas and married with the Maceo crime family and they ran bootlegging, gambling, and prostitution rackets in Galveston, Texas. The Fertittas are partly the Maceo crime family and they moved their operations to Las Vegas. They launder criminal profits for mafias and use casinos for criminal financing. They rig the casinos and control who wins. That is how the mafia pays many of their criminal associates. Lorenzo Fertitta has recruited many mafia enforcers through the UFC and they are used for intimidation and extortions. They force other fighters to lose fights for bets and they intimidate other businessmen involved in casinos and the MMA.

Tilman Fertitta is the owner of the Houston Rockets which he uses for rigging NBA games for mafia bets. Tilman Fertitta is worth over 5 billion and owns Landry's. Landry's owns and runs restaurants, hotels, and casinos. Tilman Fertitta is the top boss of the Houston crime family which is a branch of the Galveston crime syndicate. The Fertittas are agents of the Torlonias, Sforza-Cesarinis, and Boncompagni-Ludovisis which are all Roman nobles that are intermarried. The Sforza-Cesarinis are married with the Velasco family that ruled in New Spain around Texas and the recently deceased Prince Nicolo Boncompagni-Ludovisi was married to the Texan Rita Jenrette. The Fertittas in Texas oversee drug trafficking across the Texas border and the Fertittas in Las Vegas are money launderers.
